GHP-02S

MP3 Ear-Bud headphones for Travelers

iPhone Compatible for Listening to Music

The stylish GHP-02S ear-bud headphones are designed for travelers on the go. The GHP-02S features 13mm Neodymium drivers to deliver an immersive listening experience. These drivers provide the GHP-02S with a full range of clear sound and excellent performance in bass resonance that are perfect for any type of music.

A 3.5mm adaptor is ideal for any stereo MP3 player with a reliable connection for prolonged use. And best of all, it's compatible with iPhone® for listening to your favorite tunes.
